

TEACHING THE TEACHERS – 2 Day Introductory workshops - 2009

This course is designed for practising clinicians who would like to develop their teaching role. It includes:

- Principles of adult learning
- Setting educational objectives
- Teaching methods
- Giving feedback
- Micro-teaching
- Assessment in clinical practice
- Best evidence medical education

Introductory courses will have a maximum of 24 participants

We also offer a modular Postgraduate Certificate/Diploma/Masters in Medical Education course.
