

Black, Asian & Minority Ethnic (BAME) Staff Network

This is a professional and social support network for sharing experiences and advice amongst BAME staff at Keele University.

As a network we also aim to directly inform the university about how it can go upon creating a more inclusive work environment for its BAME staff.

The Keele BAME Staff network plays a key part in supporting Keele University's application for Advance HE's Race Equality Charter award through consultation and feedback.

As a member of our Network, you may also wish to become further involved with our application by joining the REC self-assessment or working group.

For further information, please contact Hinna Sheikh, Race Equality Officer, at h.sheikh@keele.ac.uk.

The Network also organise:

- External speaker seminars to support our aim to achieve a sustained real change to race equality at Keele.
- Events in collaborations with Schools and the SU to enhance awareness of tensions faced by BAME staff at Keele.

Furthermore, the network supports the University REC Mentoring initiative and offers its members the opportunity to apply for small amounts of funding to support their attendance to conferences and events that would facilitate the network's aims.

We look forward to welcoming you to our network.

For further information or to join the network, please email Maria Kyriacou on m.kyriacou@keele.ac.uk or Cat Hallam on c.hallam@keele.ac.uk
