

Keele University Approved List

This is a list of organisations whose ethical opinion will be accepted by Keele University. Applications approved by the listed organisations will not require further review by a Keele University REC, but should be registered through the Google Submission process.

- Any UK Higher Education Institution
- Any NHS Research Ethics Committee
- Any UK Social Care Research Ethics Committee
- Any other institution who evidence that the ethics committee who has provided the ethical opinion is operating in accordance with the [Economic and Social Research Council's \(ESRC's\)](#) framework for research ethics

This list will be updated periodically. If your approving institution is not listed, but you have evidence that they meet the standards as described by the ESRC, please contact the applicable REC before submitting your application.
