Weston Road,  
Stafford,  
ST16 3SA

## What is it?

Medical Masterclass is the MRCP(UK) versatile online and print revision package from the Royal College of Physicians (RCP). The Medical Masterclass distance learning resource is developed by the Education Department of the Royal College of Physicians of London under the editorial direction of Dr John Firth.

## How to Access...

### Who is it for?

Its purpose is to help doctors prepare for all three parts of the MRCP(UK) examination. However, it will also be of interest to many others with an interest in clinical medicine, and is an invaluable tool for continuing professional development. The latest third edition, published in 2018 has been updated to reflect changes to the MRCP(UK) exams, and are full of brand new content to help your revision.

### Log in

A username and password can be obtained for staff from the Health Library at County Hospital. Login details will be emailed to your NHS email address. If you wish to renew your login details please contact the library before your expiry date.

## Key Features

- Practice taking unlimited mock MRCP(UK) Part 1 and Part 2 written exams.
- Beat the clock; take our specially selected 30-question, 60-minute timed challenge exams.
- See how your score compares to other users and how you perform in each of the medical specialties that comprise the MRCP(UK) exams.
- Download the Medical Masterclass app on iOS and Android and have access to your subscription on the go. You'll also be able to access a performance tracker so you can measure your progress after each exam.
- PACES screencasts describing the format and stations of the MRCP(UK) PACES exam, giving examples of common scenarios and cases faced by candidates, and – most importantly – explaining what PACES examiners are really looking for.

## More Help

Medical Masterclass revision books are available to loan from the Health Library at County Hospital, books can also be requested for pick up from the Health library at the CEC, use your Library Search account to place the request.
