Contributing Editor, *Review of African Political Economy*, 1993-
Founding and Managing Editor, *Review of African Political Economy*, 1974-93.

Research

Current

The effects of macro-financial policy on household and individual behaviour: using Indian and other developing country household datasets to analyse the impact of changes in monetary and fiscal policy associated with financial liberalisation, on household and individual savings and credit behaviour.

Water Poverty Index: constructing an index of water security and development both at national and local level as a monitoring tool to be used by international organisations, national and local governments and by people at local level to help in determining water supply and management policy.

Price capping regulation and entry deterrence in developing countries. This research addresses the question incumbent (domestic) firms lobbying for price-cap regulation as a means of protection against entry by foreign firms.

Agricultural exportables performance in Sub-Saharan Africa: an analysis of the determinants of agricultural exportables output to answer the question why the output of agricultural exportables has been so slow to recover under World Bank structural adjustment policies.

Previous

Economic analysis of the transition from state to private agriculture in developing countries
Unemployment and Redundancy under restructuring in Poland and Hungary, based on survey work undertaken in both countries in collaboration with researchers at the Warsaw School of Economics and the Institute of Economics in Budapest and funded by the Nuffield Foundation.

Macro-economic analysis of aid, exchange rates and export incentives in Uganda.

Privatisation in Hungary

Local Labour markets and the duration of unemployment, based on surveys of North Staffordshire unemployed

The adoption of innovations in sub-Saharan African agriculture.

Land reform and rural cooperation in Andalucia.

Hungary's system of agricultural producer cooperatives.

The economic and social consequences of the introduction of high yielding varieties of foodgrains and other crops into African agriculture.

The economics of rationalisation and diversification of the Tanzanian sisal plantation industry.

Regional Planning in Tanzania

The economics of cocoa production in Ghana.

- Economic Democracy and the Market*, paper presented to ROAPE Conference on Democracy in Africa, Warwick University, September 1989
- The Green Revolution in Africa: stagnation or diffusion*, paper presented to Development Studies Association Annual Conference, Manchester, September 1987.

State, Market and Peasant, paper presented to Development Studies Association Annual Conference, Norwich, September, 1986.

African Studies Journals, a symposium of the Canadian African Studies Annual Conference, Quebec, May, 1983.

The Lessons for Tanzania of the Development of the Socialist Countries, paper presented to United Nations Africa Institute for Economic Development and Planning, Seminar on the use of Foreign Funds in the Development of East African Countries, Dar es Salaam, April-May, 1972

Seminar Presentations

I have presented seminar papers, most of which related to papers already or subsequently published, at various universities and research institutions including the Reserve Bank of India, University of Manitoba, Makerere University, Uganda, Institute of Planning, Budapest, Institute of Sociology, Budapest, Institute of World Economy, Budapest, ETEA, University of Cordoba, Spain and in the UK: University of York, School of Oriental and African Studies, University of Bradford, University of Kent, University of Edinburgh, University of Manchester, Institute of Commonwealth Studies, and at several Economics Department research workshops at Keele,

Conference Organisation

Organisation, in 1984, on behalf of the Review of African Political Economy and the Keele Economics Department, an international conference at Keele on the World Recession and the Crisis in Africa, with over 50 papers presented and over 200 participants from many parts of Africa, Europe and North America. Co-organised an ESRC Development Economics Study Group Conference 'Is Africa Different From Asia' at University of Reading, July 1998. Co-organised a conference 'Looking at South Africa: Ten Years On' held at the Institute of Commonwealth Studies, University of London September 2004.

Teaching experience

I have taught numerous courses in the main areas of Economics and Political Economy, including Development Economics, Microeconomics, Macroeconomics, Social Economics Labour economics, European Economies, Financial Institutions and Markets, Money and Banking, and Population, Environment and Development, Development and Resource Mobilisation, Trade and Industry, Globalisation.

Research Supervision and Training

I have considerable experience of supervising overseas graduate students in development economics at master's and doctoral level.

I have successfully supervised Master's and Doctoral theses on the following topics:

Foreign Trade and Theories of Development

Land Reform and the Development of Capitalism in Rural Iran.

Land Reform and Agricultural Development in Iraq, 1958-78.

Transnational Investment and State Contracts in the Ghanaian economy

Arab Capital Market Integration: problems and prospects

Direct Foreign Investment, Transnational Corporations and the Transfer of Technology to Egypt, Arab

Economic Integration Foreign Trade and the Economic Development of Algeria

Agrarian Reform and Agricultural Development in Algeria, 1962-84

Greek Industrial Development and the European Community

The Structure and Performance of Algerian Industry 1920-80

The External Debt of Developing Countries

The International Monetary Fund and the Debt Crisis in the Third World

Economic Development and the Tourist Industry in Malaysia

The Agricultural Sector in Iraq: policy, performance and impact

The determinants of labour migration: the case of Yemeni migration to Saudi Arabia

Investment strategy in an oil-surplus economy: the case of Bahrain,
An Evaluation of Malaysian Rural Small-Scale Industries

I am currently co-supervising a doctoral candidate on *Financial liberalisation and household behaviour in Ghana*

Administrative Experience

I took up the post of interim Head of the School of Economic and Management Studies in August 2005. The chief responsibility of this post is to merge four departmental units into one School with a new administrative structure and systems and with considerable emphasis on the review of existing programmes and the development of new ones.

I have been Deputy Head of Economics (later re-titled Director of Undergraduate Studies) since July 1993, taking responsibility for the administration and strategic development of all undergraduate teaching. I have been the departmental coordinator for graduate studies in economics and for the second year undergraduate programme, and have done both jobs for several years in each case.

I was Course Supervisor for the MSc in Economic Development Planning and participated in its design. I also designed and ran a Diploma course for prospective masters' students.

Between 1983 and 1985 I chaired the University's Overseas Students' Committee, charged with overseeing the welfare of overseas students.

I have collaborated in the design and organisation of an interdepartmental research training course in the social sciences.

Other Professional Activities

Reviewing

I have reviewed a number of books for the following journals: *The Economic Journal*, *The Journal of Development Studies*, *Development and Change*, *Sociological Review*, *Third World Quarterly*, *Canadian Journal of African Studies*, *Development Policy Review*, *Journal of International Development*

Manuscript and Journal refereeing

I have assessed books for Irwin, Croom Helm, Routledge, Manchester University Press and the Institute of Social Studies, The Hague, and have refereed articles for the *Economic Journal*, *African Affairs*, *Food Policy*, *Journal of Development Studies*, *Journal of International Development*, and *Sociological Review*, and refereed several research proposals and acted as research project rapporteur for the ESRC (UK).

External Examining

I have been appointed external examiner of several M Phil and PhD theses at Durham, London, Manchester and Sussex and currently, of the Master's in International Development at the University of Bradford.

Other Related Activities

Member, ESRC Development Economics Study Group and U.K. Development Studies Association.

Chair, Faculty of Social Sciences Course Development Sub Committee (1997-2001)

Member, Keele Teaching Network,

Elected Member University of Keele Senate 1980-85, and 2003-

President Keele Association of University Teachers, 1980-82

Secretary, Keele Association of University Teachers, 1977-80
