

Quality and Academic Standards Sub-Committee (QAS) (six meetings per year)

Scope: the Quality and Academic Standards Sub-Committee (QAS) is responsible for the oversight and enhancement of the quality and standards of the University's academic provision. The Committee will ensure that all quality management processes operating at university, faculty, or school level maximise their potential of further enhancing academic programmes and the student experience. The Committee will ensure that the University has a rigorous and responsive quality assurance framework in place which is fully informed by external expectations, including those from the Office for Students (OfS), the QAA, and professional bodies. The Committee will have regard for the promotion of equality and diversity and will ensure equality of opportunity in the way it conducts itself and in the transaction of its business.

(a) Terms of Reference

1. On behalf of the Education Committee, to note and provide Chair's sign-off to proposals, supported by the Standing Validation Panel, to establish programmes of study, ensuring that all decisions are reported to Education Committee and Senate, and make recommendations to Senate to discontinue programmes of study, taking particular account of any quality issues such as teach out arrangements;
2. To develop and advise the Senate on the implementation of policies and procedures relating to quality and standards and to refer to other committees of the Senate, UEC or office holders matters relating to their remit;
3. To monitor and advise the Education Committee on implications of publications from external bodies, including the Quality Assurance Agency (QAA), the Office for Students (OfS) and PSRBs, concerning academic quality and standards issues and to co-ordinate a University-level response where required;
4. To oversee the University's quality management mechanisms and approve any deviations from standard processes;
5. To monitor academic standards and the quality of taught provision through receipt and consideration of Focussed Review and Revalidation outcomes; programme validation; external examining reports and related action plans;
6. To scrutinise nominations for external examiners, independent assessors and external assessors for End Point Assessment and recommend external examiner appointments and extensions to Education Committee;
7. To receive reports from the Apprenticeship Management Group on quality issues relating to apprenticeship provision, including preparations for Ofsted inspection.
8. To advise the Education Committee regarding areas of emerging academic risk and to recommend appropriate remedial action where appropriate;
9. To assess the effectiveness and integrity of quality assurance processes devolved to Schools and Faculties and advise remedial action where shortfalls are identified;
10. To report annually on the effectiveness of quality and standards pertaining to the committee's remit.
