---	--

Dear students,

As part of our commitment to continually work to improve our programmes, and in light of our plans to start next academic year with a hybrid delivery model due to the impact of Covid-19, we are confirming in this document the changes to your programme in the Academic Year 2020/21. More general information about what studying at the University will be like in 2020/21 can be found here:

<https://www.keele.ac.uk/coronavirus/operations/>

#### Specific planned changes

<b>How the programme will be taught</b> <i>(include any significant changes to the balance between on campus and digital delivery and what students can expect)</i>	The programme modules will be delivered all online over a specific period of time rather than face-to-face.
<b>Learning resources and any potential additional costs</b> <i>(such as equipment requirements)</i>	Resources will be available electronically including library links.  Given an increasing level of online teaching and assessments for this programme, it would be preferable if students had access to computer equipment with a webcam and microphone. It may also be preferable for students to have adequate Wi-Fi connectivity and associated internet speeds. Students who need support in accessing appropriate IT equipment may be eligible to apply for support from the <a href="#">University's hardship fund</a> .
<b>How the programme will be assessed</b> <i>(a general summary of changes to assessment methods)</i>	No changes are planned with respect to the module assessments.
<b>How students are supported</b> <i>(any alternative arrangements such as communication methods, support networks etc.)</i>	Students will be supported via Microsoft Teams, KLE and input from module/programme leaders.
