Student Guide to Completing Module Evaluation

1. Log into the KLE via https://kle.keele.ac.uk/.

2. Once logged in, a pop-up window will appear with a link to each of the modules open for evaluation.

3. To complete the evaluation, click on the 'Start Now' button.   A new window will open, and the survey will appear.

4. You will now be able to give your module feedback by choosing an appropriate response and entering text into the free text questions. Note that questions may vary as to how you respond (free text, a scale of 4 to 1 and standard responses).

7. Please comment on any other aspects of the teaching and assessment of the module, both good and where improvement is needed

Please be reminded that your feedback must at all times be respectful and constructive. Do not name staff or fellow students in a derogatory manner and remember Keele's values of dignity and respect for others.

> Enter text here

5. When you have answered all the questions, click the 'Submit' button.

6. Once you have submitted your responses, you can go on to complete further module evaluations by clicking the 'Start now' button or return later to complete the rest.

Your responses have been submitted successfully!

Thank you for completing this module feedback form. Your feedback will be provided anonymously to the Module Leader and it will be reviewed by them alongside other members of the teaching team.

Thank you for providing your feedback.
