

REGULATION D2: PROGRESSION AND CLASSIFICATION (POST 2022)

For Undergraduate students commencing or repeating Level 4 study in full FROM September 2022 and all Postgraduate Taught students

Regulation D2 sets out the fundamental requirements for progression to the next level of study and for the classification of each degree. Where there are programme specific deviations or exemptions for particular programmes of study, these will be set out in the relevant Programme Specification.

This regulation should be read in conjunction with Regulation D5, which explains the rules around module condonement.

1. BACHELORS' DEGREES

If you are studying Medicine you should refer to [Regulation C5](#) (Medical Bachelor's Degrees)

1.1 Progression from Level 4 to Level 5

1.1.1 You can progress to Level 5 if you meet one of the following requirements:

- (a) You are awarded 120 credits at Level 4; or
- (b) (if you are a Single Honours student) you are awarded a minimum of 90 credits at Level 4, provided you still have an assessment attempt remaining on any compulsory and optional modules you have failed and there are no further assessment opportunities during the current academic year; or
- (c) (if you are a Combined Honours student) you are awarded a minimum of 90 credits at Level 4, provided you still have an assessment attempt remaining on any compulsory and optional modules you have failed and you fail no more than 15 credits in each subject and there are no further assessment opportunities during current the academic year.

1.1.2 You must be awarded credit for all modules failed at Level 4 (1.1.1b or 1.1.1c) either over the summer reassessment period or whilst studying at Level 5.

- (a) Compulsory and optional modules credits must be awarded within the maximum allowed two assessment attempts, or your studies will be terminated. The exception

to this is where further reassessment is allowed owing to agreed exceptional circumstances, which is explained in Regulation B3 (Exceptional Circumstances).

(b) A failed elective module can be replaced by studying and being awarded credits for an additional option module undertaken during your Level 5 studies.

(c) You will not be permitted to progress to Level 6 until you have been awarded 120 Level 4 credits.

1.1.3 If you do not meet any of the progression thresholds set out in 1.1.1 above but are offered summer reassessment to meet them, your progression outcome will be confirmed once the reassessment outcome is known.

1.1.4 If you cannot meet any of the progression thresholds set out in 1.1.1 above or you have already taken summer reassessment but still not met the thresholds, you will be given one of the following progression outcomes:

(a) If you have not already repeated Level 4, you will be offered the following repeat year options:

i. Repeat Level 4 in full. You will attend a full 120 credits of Level 4 modules in the next academic year and the results from these modules will replace the results of all Level 4 modules you have previously taken, whether or not you have been awarded credit for them.

ii. Repeat only failed Level 4 modules. You will keep the marks from the Level 4 modules where you have been awarded credit and will attend the required number of modules in the next academic year to replace the Level 4 modules you have failed.

If you still have assessment attempts remaining upon all your failed modules you will, in addition to options i and ii, be given the following option:

iii. Repeat only the assessment of failed Level 4 modules. You will keep the marks from the Level 4 modules where you have been awarded credit and will take reassessment only, in the next academic year without attendance, of the Level 4 modules you have failed. You must be awarded credit for these failed modules within the maximum allowed two assessment attempts, including any attempts you have previously taken.

(b) If you have already repeated Level 4, we will normally terminate your studies.

1.2 Progression from Level 5 to Level 6

1.2.1 You can progress to Level 6 if you meet one of the following credit thresholds:

(a) You are awarded 120 credits at Level 4 and 120 credits at Level 5; or

(b) You are awarded 120 credits at Level 4 and a minimum of 105 credits at Level 5, provided you still have an assessment attempt remaining on any compulsory or optional module you have failed and there are no further assessment opportunities during the academic year.

1.2.2 You must be awarded credit for the module you have failed at Level 5 (1.2.1b) either over the summer reassessment period or whilst studying at Level 6.

(a) Credit for compulsory and optional modules must be awarded within the maximum allowed two assessment attempts, or your studies will be terminated. For reassessment resulting from exceptional circumstances see regulation B3.

(b) A failed elective module can be replaced by studying and being awarded credits for an additional option module during semester one of your Level 6 studies.

(c) If you are not awarded credit for your failed Level 5 elective module, or for the option module which replaced it at Level 6, you will not be able to obtain a degree award and your studies will be terminated.

1.2.3 If you do not meet either of the progression thresholds set out in 1.2.1 above but are offered summer reassessment to meet them, your progression outcome will be confirmed once the reassessment outcome is known.

1.2.4 If you cannot meet either of the progression thresholds set out in 1.2.1 above or you have already taken summer reassessment but still not met the thresholds, you will be given one of the following progression outcomes:

(a) Provided you have not failed a compulsory or optional Level 4 module after the maximum allowed two attempts and have not already repeated either Level 4 or Level 5, you will be offered the following repeat year options:

i. Repeat Level 5 in full. You will attend a full 120 credits of Level 5 modules in the next academic year and the results from these modules will replace the results of all Level 5 modules you have previously taken, whether passed or failed.

ii. Repeat only failed Level 5 modules. You will keep the marks from the Level 5 modules where you have been awarded credit and will attend the required number of modules in the next academic year to replace the Level 5 modules you have failed.

If you still have assessment attempts remaining upon all your failed modules you will, in addition to options i and ii, be given the following option:

iii. Repeat only the assessment of failed Level 5 modules. You will keep the marks from the Level 5 modules where you have been awarded credit and will take reassessment only, in the next academic year without attendance, of the Level 5 modules you have failed. These must be passed within the maximum allowed two assessment attempts, including any attempts you have previously taken.

If you still have a failed compulsory or optional Level 4 module with an assessment attempt remaining, or a failed elective Level 4 module, you will be permitted to undertake this reassessment and must be awarded credits for this module whilst repeating Level 5 study.

(b) If you have failed a compulsory or optional Level 4 module after the maximum allowed two attempts or you have already repeated Level 4 or Level 5, we will normally terminate your studies.

1.3 Degree classification - all Bachelors' Degrees, except:

BA International Governance and Public Policy programme with Beijing Foreign Studies University (see 1.4)

BSc Public Health Management and BSc Rehabilitation and Exercise Therapy with Chengdu University of Traditional Chinese Medicine (see 1.5)

1.3.1 Provided you have met the credit requirements to obtain your degree, your degree will be classified based upon the marks you obtain at both Level 5 and Level 6, using a weighted average module mark, which is calculated in four steps as described in section 1.3.2 below.

In the calculation, the following rules apply:

(a) This average module mark will be weighted, based upon the credit value of each module; so for example, a 30-credit module will carry twice the weight of a 15-credit module.

(b) In cases where, either at Level 5 or Level 6, more than 120 credits of modules are required, the 120 credits with the highest module marks will be used in the calculation process.

(c) If you repeat a year of study at Level 5 or Level 6, the marks you obtain from the modules taken in the repeat year will be used in the calculation process.

(d) If your degree programme includes two years of study at Level 6, the average of the marks from the 240 credits of modules studied will be used in the calculation process.

(e) The marks you obtain from any Level 5 modules whilst undertaking a semester study abroad will be used in your degree classification.

(f) The mark/s you obtain from any modules studied during an International Year, Placement Year or Entrepreneurship Year will not be used in your degree classification.

1.3.2 Your weighted average module mark and degree classification are determined as follows:

Step 1: A Level 5 average module mark will be calculated, based upon the marks you obtain from your Level 5 modules.

Step 2: A Level 6 average module mark will then be calculated, based upon the marks you obtain from your Level 6 modules.

Step 3: A weighted average module mark will be calculated, based upon the sum of one third of your Level 5 average module mark and two thirds of your Level 6 average module mark.

Step 4: This weighted average module mark will be rounded to the nearest integer (with marks of 0.5 or above rounded up) and will be used to determine your degree classification, as follows:

FIRST CLASS HONOURS

A weighted average module mark of at least 70%

OR a weighted average module mark of at least 68% AND at least 60 Level 6 credits with a mark of 70 or higher

1.3.4 If you study only Level 6 modules on your Keele degree programme, your degree will be classified based upon the average mark you obtain on those modules.

(a) Your average module mark will be calculated based upon the credit value of each module; so for example, a 30-credit module will carry twice the weight of a 15-credit module.

(b) In cases where more than 120 credits of modules are required at Level 6, the 120 credits with the highest module marks will be used in the calculation process.

(c) If you repeat a year of study at Level 6, the marks you obtain from the modules taken in the repeat year will be used in the calculation process.

(d) If your degree programme includes two years of study at Level 6, the average of the marks from the 240 credits of modules studied will be used in the calculation process.

2.3 Progression from Level 6 to Level 7 study

2.3.1 To progress from Level 6 to Level 7 you must at least satisfy the requirements under Section 1.3 for the award of an Honours Degree in the Lower Second Class Honours category.

2.3.2 If you do not meet the progression rule above but are offered summer reassessment, your progression outcome will be confirmed once the reassessment outcome is known.

2.3.3 If you do not meet the progression rule above and you have already taken summer reassessment, you will be given one of the following outcomes:

(a) Provided you have not failed a compulsory or optional Level 4 module after the maximum allowed two attempts and have not already repeated either Level 4 or Level 5, you will be offered the following repeat year options:

i. Repeat Level 6 in full. You will attend a full 120 credits of Level 6 modules in the next academic year and the results from these modules will replace the results of all Level 6 modules you have previously taken, whether passed or failed.

ii. Repeat only failed Level 6 modules. You will keep the marks from the Level 6 modules where you have been awarded credit and will attend the required number of modules in the next academic year to replace the Level 6 modules you have failed.

If you still have assessment attempts remaining upon **all** your failed modules you will, in addition to options i and ii, be given the following option:

iii. Repeat only the assessment of failed Level 6 modules. You will keep the marks from the Level 6 modules where you have been awarded credit and will take reassessment only, in the next academic year without attendance, of the Level 6 modules you have failed. These must be passed within the maximum allowed two assessment attempts, including any attempts you have previously taken.

If you still have a failed compulsory or optional Level 5 module with an assessment attempt remaining you will be permitted to undertake this reassessment and must be awarded credits for this module whilst repeating Level 6 study.

2.4 Failure at Level 7

2.4.1 Until you have obtained 120 credits at levels 4, 5, 6 and 7, you will not be able to obtain a degree award. If you fail to obtain 120 credits at level 7 and have a reassessment opportunity remaining on all failed credits, you will be offered summer reassessment to obtain the required volume of credit for your award. Your Level 7 outcome will be confirmed once the reassessment outcome is known. If you fail to obtain 120 credits at Level 7 and do not have a reassessment opportunity remaining on all failed credits, please see 2.4.3 and 2.4.4, as appropriate.

2.4.2 After summer reassessment, if you still cannot meet the requirements for your Level 7 award, you will be issued with one of the following outcomes.

2.4.3 If you have previously repeated any year of study, your studies will be terminated and you will be issued with the highest interim exit award you are eligible for.

2.4.4 If you have not previously repeated any year of study and have passed 120 credits at Level 4, 120 credits at Level 5, and 120 credits at Level 6, you will be offered the following repeat options, unless otherwise specified in the regulations for your programme of study:

OR a weighted average module mark of at least 48% AND a mark of at least 50 in the Level 7 module

2.5.4 If you study only Level 6 and 7 modules on your Keele degree programme, your degree will be classified based upon the average mark you obtain on those modules.

(a) Your average module mark will be calculated based upon the credit value of each module; so for example, a 30-credit module will carry twice the weight of a 15-credit module.

(b) In cases where more than 120 credits of modules are required at Level 6 or 7, the 120 credits with the highest module marks will be used in the calculation process.

(c) If you repeat a year of study at Level 6 or 7, the marks you obtain from the modules taken in the repeat year will be used in the calculation process.

3. FOUNDATION DEGREES

3.1 Progression from Level 4 to Level 5 study

The rules for progression from Level 4 to Level 5 are stated in 1.1 above

3.2 Degree classification

Foundation Degrees are not classified.

4. POSTGRADUATE MASTER'S DEGREES

4.1 Progression

There is no formal progression point to the dissertation stage of a postgraduate Master's programme unless otherwise detailed in the Programme Specification.

4.1.1 If you fail to obtain the required credits for your award and do not have a reassessment opportunity remaining, you may be offered the following repeat options, subject to the regulations for your programme of study:

i. Repeat only failed modules. You will keep the marks from the modules where you have been awarded credit, and will attend the required number of modules in the next academic year to replace the modules you have failed up to a maximum of 30 credits. In the case of failure in an optional module, the student shall be permitted to pursue an alternative optional module.

ii. (only if you still have assessment attempts remaining upon all your failed modules) Repeat only the assessment of failed modules. You will keep the marks from the modules where you have been awarded credit and will take reassessment only, in the next academic year without attendance, of the modules you have failed. These must be passed within the maximum allowed two assessment attempts, including any attempts you have previously taken.

4.2 Degree classification

4.2.1 An average module mark will be calculated based upon all Level 7 modules you study on your Masters Degree programme.

(a) Your average module mark will be weighted, based upon the credit value of each module. For example, a 30-credit module will carry twice the weight of a 15-credit module.

(b) Where you have been granted [Recognition of Prior Learning \(RPL\)](#) based upon Level 7 modules you have already studied at Keele prior to commencing your degree programme, these modules will also be included in the calculation.

4.2.2 This average module mark will be rounded to the nearest integer (with a mark of 0.5 or above rounded up) and used to determine your degree classification. Your degree will be classified with either Distinction or Merit if you meet the average mark thresholds noted below, provided you have not been granted compensation on any failed modules:

DISTINCTION - an average module mark of at least 68% calculated in accordance with any weightings specified in the relevant Programme Specification AND a mark of at least 70 in at least 60 credits used to calculate your award.

MERIT - an average module mark of at least 58% calculated in accordance with any weightings specified in the relevant Programme Specification AND a mark of at least 60 in at least 60 credits used to calculate your award.

5. POSTGRADUATE DIPLOMAS AND POSTGRADUATE CERTIFICATES

5.1 Progression

There is no formal progression point on either a Postgraduate Diploma or Postgraduate Certificate Programme.

5.2 Award classification

Postgraduate Diplomas and Postgraduate Certificates are not classified.

6. POSTHUMOUS AND AEGROTAT AWARDS

6.1 Posthumous Award

6.1.1 Any taught award of the University may be conferred posthumously where the death of a student occurs prior to their completion of the requirements for their award. The award conferred in such circumstances will normally be as a minimum the next exit award for which the student would have been eligible, based on the stage of the programme of study they had commenced at the discretion of the Vice-Chancellor in their capacity as Chair of Senate. All posthumous awards are unclassified.

6.1.2 If the death of a student occurs after they have completed all the requirements for an award the award will not be considered posthumous and will, therefore, be classified.

6.2 Aegrotat Award

6.2.1 An Aegrotat award for incomplete study is an unclassified award that may be conferred in exceptional circumstances, such as in cases where a student's ability to complete an award is permanently compromised by severe illness once the exceptional circumstances processes have been fully considered and followed as applicable. All taught awards are available as Aegrotat awards, with the exception of degrees which are subject to fitness to practice requirements. The Pro Vice-Chancellor in their capacity as Chair of University Exam Board may exercise their discretion to recommend conferment of an Aegrotat award. Acceptance of an Aegrotat award completes your study on a programme.
