

Prognostic AND Diagnostic Assessment of Shoulder Pain

MERRY CHRISTMAS
to all Practices!

2020 has been a challenging year for all of us, but particularly for the health services who have continued to provide much needed care for patients. So we are especially grateful for your continued support of the PANDA-S study.

Thank you for your continued support in identifying potential participants to the PANDA-S study!
222 have now been recruited overall!

Christmas closure

The last working day for Keele CTU before Christmas will be Wednesday 23rd December 2020. Please continue to send your exports as normal and we will process these when we reopen on Monday 4th January 2021

Thank you!
