- Barbecues
- Heater
- Electric blanket
- Candles
- Oil burners
- Curtains
- Furniture
- Fireworks
- Pets

# Residence Life

Your time in halls can be one of the most memorable and enjoyable parts of student life.

Our Residence Life team can help you make the most out of it - making it fun, making it social, and making sure that you know there's support there for you, if you ever feel you need it.

- Build sense of community
- Safety & support
- Campaigns & events

We encourage all students to use the Keele App as this details where all events are happening across the university, including Res Life's!

# Resident Advisers

Our Resident Advisers (RAs) are a team of full-time Keele University students who live in on-campus accommodation to help provide information, guidance and welfare support to students who call Keele campus their home

They can support students with things like:

- Making friends
- Homesickness
- Attending events
- Being someone to talk to

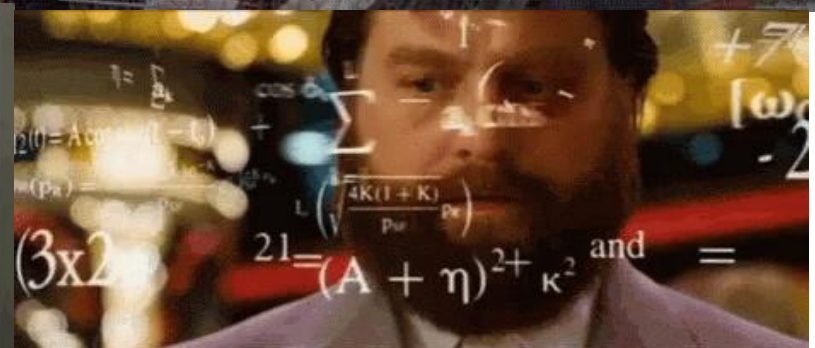

# Living Independently

# Skills for uni living

- There are some basic skills to prepare for when living on campus
  - Cooking
  - Laundry
  - Budgeting
  - Shopping

# Cooking

- Bring the right equipment – e.g. non-stick pans, baking trays, colander, chopping board & knife and scales
- Try to pick up some skills before you arrive
- Club together with your flat for the basics – things like seasoning, bread, pasta etc. This will help to reduce waste too!
- If it all goes wrong and your meal doesn't go to plan, there's plenty of places to eat on campus and takeaways in the local area

# Cleaning

- Accommodation blocks are cleaned on weekdays. There will be a notice board in your block with up-to-date cleaning details
- Kitchens and bathrooms are cleaned every week
- It is the residents' responsibility to keep the accommodation clean and tidy
- You will need to empty the rubbish and recycle responsibly!

# Laundry

- Each hall has its own launderette and the machines already have detergent & softener pre-loaded so you won't need to bring these!
- Top tips:
  - Check the labels!
  - Separate your colours
  - Treat any stains quickly
  - Get a laundry bag or basket
  - Check before putting things in the drier

# Managing Money

- It can be difficult to understand the true costs of being a student as well as the financial support that is available to help you meet those costs so that you can begin to plan your future and make the most of Keele.
- We can help you with:
  - managing your funds
  - creating a budget
  - bursaries and scholarships

# Settling in & getting to know flatmates

- Say hello to flatmates
- Spend time in communal spaces
- Get to know your flatmates
- Attend your 'Our Flat' meeting on Sunday 21st September at 4pm
- Join a club or society
- Arrange evenings in with your flat
- Explore the campus
- Don't forget about 'me time'

# Staying Safe

**SafeZone**

# Keep up to date

Follow the Res Life Instagram for up-to-date information from your Res Life Team
