# Health Library for North Staffordshire Newsletter

Issue 7, September 2023

## Welcome to all our NHS members

Welcome to the Health Library for North Staffordshire newsletter. This is a special themed issue for our NHS members to help you to get to grips with everything the Health Library can offer you.

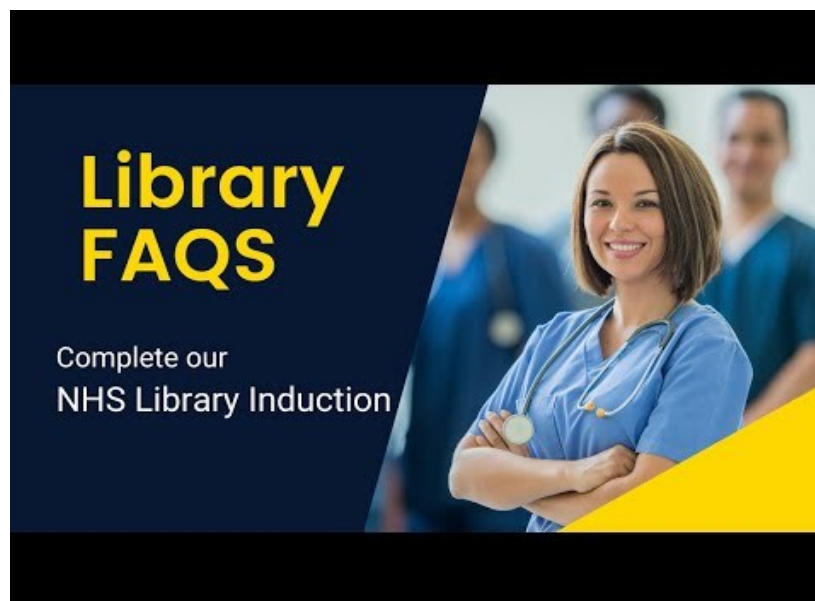

Read on to learn more about our latest activities and recent blog posts.

Looking at the print version? Please [see our website](#), or scan the QR code to access the online version with all the links.

## Did you miss your NHS Library Induction?

Don't worry! Complete the [online NHS Library Induction](#) to make sure you make the most of everything the Health Library offers you. Here's what you'll learn about:

Check out the Health Library before you visit

Not sure if you want to visit the Health Library? We've got just the thing to convince you. Read [our blog post](#) to learn more.

Access the key evidence you need to make confident decisions; register for NHS OpenAthens

Whether you are treating patients, starting a research project, updating your skills or completing professional training you need the best evidence. Make sure you register for your NHS OpenAthens username. Learn why [from our blog post](#).

Use NHS online resources for the best evidence and the best patient care

You can access a wealth of online resources, purchased especially for NHS staff. Get research papers, case reports, established information, recommendations and guidelines, management information, patient information, clinical calculators and much more. [Read our blog post to learn](#) more about NHS online resources.

Develop your skills to make sure you get the best evidence

As a healthcare worker, you understand the importance of staying up-to-date with the latest information and research in healthcare. This is exactly why you should consider booking an information skills training session at the Health Library. [Our blog post](#) explains the training opportunities we offer.

NHS staff can save time and money with Specialist Support from the Health Library

Access specialist support services from the Health Library and save time and money. Learn how [from our blog post](#).

Online Health Library for Keele / NHS Remote Learners

Are you an NHS member of staff completing a Keele University course online? We're the help you need. We are a joint Keele University and NHS funded service. We offer a unique perspective with knowledge and experience of supporting both Keele University staff and students, and NHS staff working for our partner organisations. Complete [our short online induction](#) to learn more about how we can help you to succeed on your course.

Just started working in the NHS at UHNM? You need the Health Library Showcase for UHNM staff

Make the most of your Health Library at the CEC; get support for your studies, professional development, work, research and patient care. The Health Library can help you in so many ways. We've put it altogether in the [Health Library Showcase for UHNM staff](#).

Hot Topics!

We've started a new series called Hot Topics! Linked to the latest news stories, we'll let you know where you can find key evidence-based information on "in the news" topics, from nhs-based resources. The latest Hot Topics! We have are:

- [Measles](#)
- [Pre-eclampsia](#)
- [Stroke Rehabilitation](#)
- [Covid-19](#)

## Psoriasis Awareness Month August 2023

August was Psoriasis Awareness Month – initially introduced by the National Psoriasis Foundation in the United States (as Psoriasis Action Month) it is now recognised globally in order to raise awareness of psoriasis and psoriatic arthritis. [Find out more about this debilitating condition from library resources.](#)
