

Health Library for North Staffordshire Newsletter

Issue 8, November 2023

Welcome to all our Keele University students and staff

Welcome to the Health Library for North Staffordshire newsletter. This is a special themed edition for our Keele University users to help you to get to grips with everything the Health Library can offer you.

Read on to learn more about the latest activities at the library and our recent blog posts.

Looking at the print version? Please [see our website](#), or scan the QR code to access the online version with all the links.

Welcome to Keele University Students

Are you studying at the Clinical Education Centre (CEC) or on placement at local NHS sites? Then don't forget that you can use the Health Library at the CEC.

Want to know what we can offer you? [Read more here](#).

The essential guide to using the Health Library

Make the most of what the Health Library can offer you. Find out how we can make studying easier [from our blog post](#).

Advice for Keele students studying on remote healthcare courses

Studying with Keele on a remote online course? The Health Library can help you. We are a specialist healthcare library supporting Keele students and NHS staff. [Read our blog post](#) to find out more about how we can help.

Get great information for your studies

Get ready for your studies and find out where to get the best information for your assignments – at the Library! [Read the blog post](#) for links to your key resources.

Check your skills and get your plan

Make sure you've got the right skills to get the best evidence for your studies. Complete our online tutorial [Check Your Skills](#). Take the quiz to find out how to:

- prepare for your project
- organise your search
- select the right information from your results

How to improve your information searching skills

Make sure you find the best information for your assignments so that you succeed on your course. Keele students have access to some great training opportunities at the Health Library. [Take a look at this blog post](#) to learn more.

Check the Health Library Showcase for Keele Students

Take a look at our [Health Library Showcase for Keele Students](#). You'll find lots of information all together to help you to make the most of the library services and resources. You can watch a video or complete a short tutorial.

Stay up to date

You can stay up to date with changes at the Health Library by checking:
