# Food & Drink

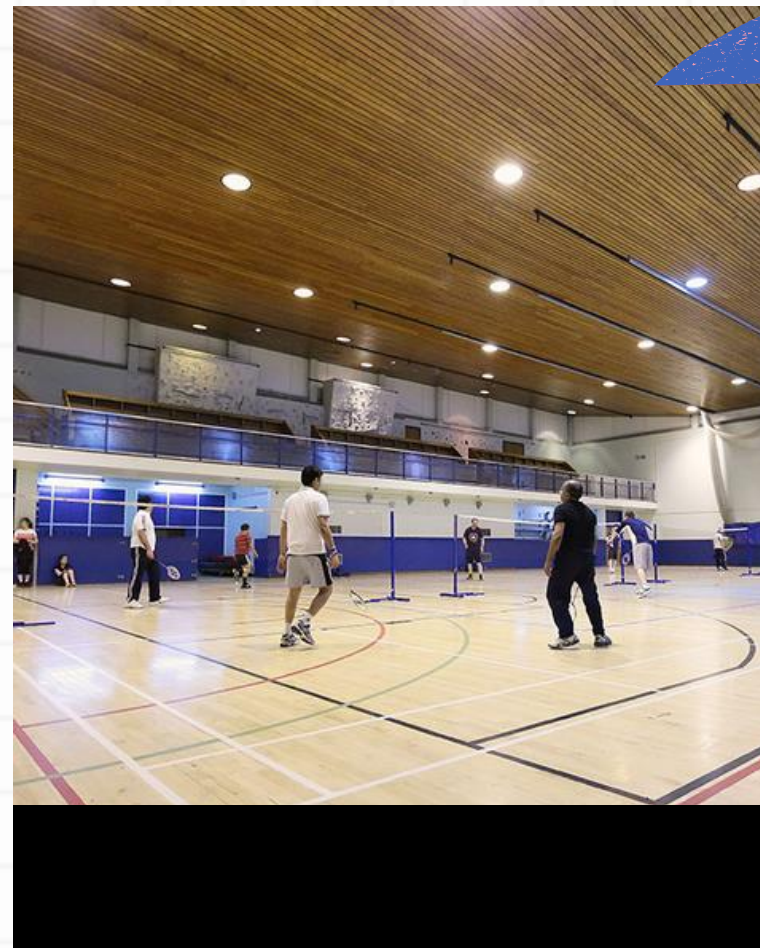

There's a wide range of food and drink outlets available on campus including restaurants, bars, cafes and takeaways. There are also various shops on campus where food can be purchased.

Particular favourites include the daily specials in The Kitchen Table or the burgers from the KPA.

# Sport & Active Wellbeing

On campus there is a gym and fitness centre that students can join, which will also give access to a wide range of exercise classes. There are also many facilities that students can hire including squash courts, bouldering wall and dance studio. If you're looking for fun, recreational and social sport then you can get involved in the Active Keele programme. For more competitive sports, you may want to join the Athletic Union and take advantage of the many sports societies on offer.

# What's provided in halls?

- All furniture in halls is provided (bed, wardrobe, desk & chair)
- All key appliances are provided in kitchen areas (ovens, fridges and freezers & microwaves)

# What to bring

Duvet, pillow & bedding

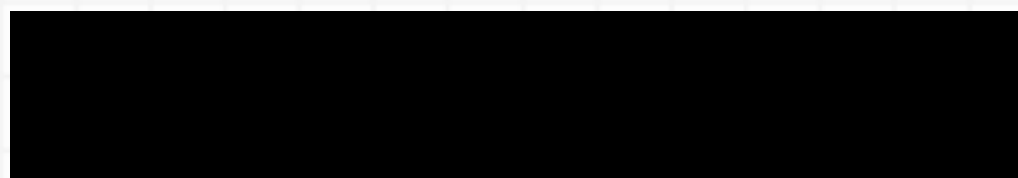

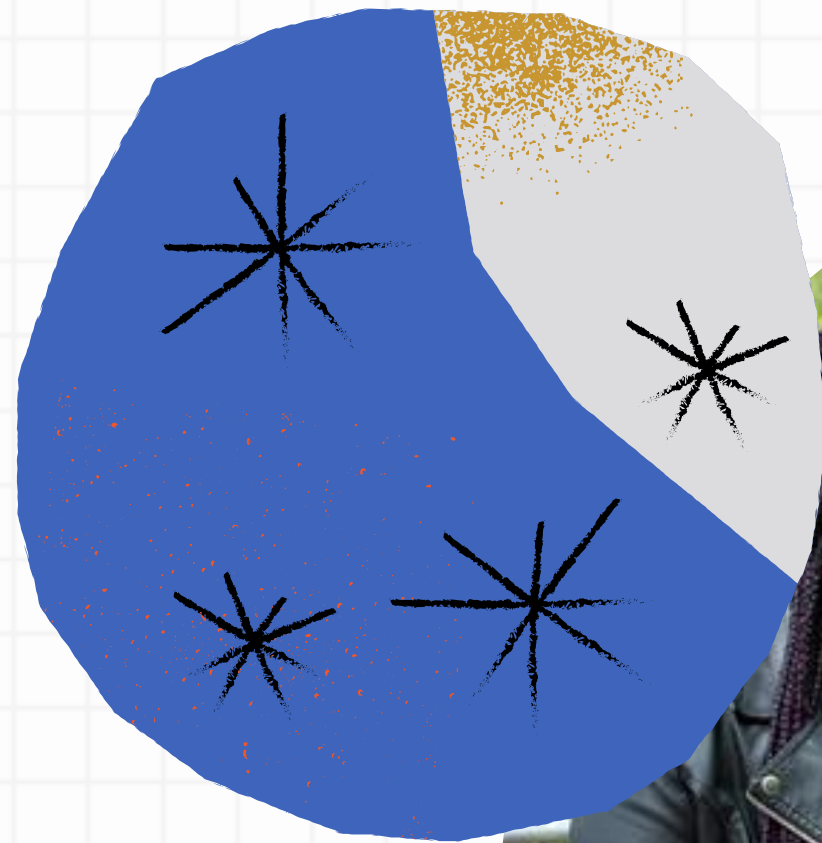

Towels

Crockery, cutlery and cooking utensils

Homely items e.g. blankets, cushions, pictures (no candles!)

# Living independently

# Cooking

- Bring the right equipment - e.g. non-stick pans, baking trays, colander, chopping board & knife and scales
- Try to pick up some skills before you arrive
- Club together with your flat for the basics - things like seasoning, bread, pasta etc. This will help to reduce waste too!
- If it all goes wrong and your meal doesn't go to plan, there's plenty of places to eat on campus and takeaways in the local area

# Cleaning

## Cleaning in halls

- Accommodation blocks are cleaned on weekdays. Be sure to check the notice board in your block for up-to-date cleaning details
- Kitchens and bathrooms are cleaned every week
- It is the residents' responsibility to keep the accommodation clean and tidy
- You will need to empty the rubbish during weekends and bank holidays when cleaning staff are not on duty

# Laundry

## Using the laundrette

- To use the launderettes you need a laundry card for £2
- There are card dispenser machines points on campus in the Sports Centre and in Chancellor's
- Costs and approximate times are as follows:
  - The washing machines cost £2.70 and take around 40 minutes
  - The Tumble Dryers cost £1.10 and take around 30 minutes
- Once you have the card you will need to visit [www.circuit.co.uk](http://www.circuit.co.uk) (the company who manage the launderettes) to top up your card

# Money support

It can be difficult to understand the true costs of being a student as well as the financial support that is available to help you meet those costs so that you can begin to plan your future and make the most of Keele. We can help you to manage your funds, create a budget and ensure that you receive any funding for which you may be eligible, for example bursaries and scholarships and government funding.
